Gary,

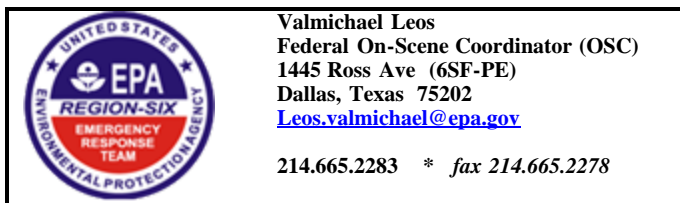

I believe that we should go ahead and give everyone, including Harris County an extension for the review of the Feasibility Study to November 15, 2013. CAS

Hopefully by the end of next week. I'm meeting with the Site team tomorrow about the Draft final report and have already scheduled a call with the RPs early next week.

Val,

When do you expect to release the Corps Report for the cap? Harris County is reviewing the draft Feasibility Study and are requesting an extension for submittal of comment based on two week after they receive/look, at the Corps report. Thanks CAS

Gary,

We are scheduled to brief Carl on the San Jacinto site on Wednesday (10/30/13) at 2:00 pm. He just wants a general update on where we are on the site, remedial schedule, enforcement (stipulated penalties), removal cap issues. Please let the Team know and if they cannot make it to the meeting, ask them to provide the information to you so that we can at least tell Carl where things are. Thanks CAS
